**REQUEST FOR WITHDRAWAL OF PAYMENT TO INCORRECT

REQUEST FOR REFUND
(IMPROPER CHARGE OF DEPOSIT ACCOUNT)**

Request for withdrawal of payment to Incorrect Application No.

I. REFUND REQUEST

This is a request for a refund with respect to the charge to Deposit Account 500388 shown on the statement of June 2004 (Sequence No. 3, posting reference 09449022, fee code 1801) for the above-identified patent. A copy of the monthly statement in which the error referred to occurs, accompanies this request.

II. FEES CHARGED FOR WHICH REFUND REQUESTED

The fee charged were in connection to an RCE application sent via facsimile on April 30, 2004.

III. EXPLANATION OF WHY CONTESTED CHARGE IS IN ERROR

An initial RCE application was filed via regular U.S. Mail on March 19, 2004, which was accompanied, by an RCE Transmittal Letter, Amendment, D, and Check #8811 in the amount of \$770. It was revealed that the RCE and Amendment as filed on March 19, 2004 referenced the

incorrect application serial number of "09/449,002". This incorrect identification was a typographical error. Once the error was identified, the Attorney of Record resent the RCE with a cover sheet indicating that the previously filed RCE contained the incorrect application serial number. It appears at that time the USPTO considered this a "new filing" and charged Deposit Acct. 50-0388 in the amount of \$770 for the filing of the RCE. Thus, two RCE fees were charged for the same application number, 09/449,022.

Enclosed for your records is a copy of facsimile transmittal as sent on April 30, 2004, as well as a copy of the Amendment Transmittal filed by regular U.S. mail on March 19, 2004 indicating the discrepancies in the application serial number. Also enclosed is a copy of cancelled check #8811.

IV. MANNER OF REFUND

It is hereby requested that the check #8811 be applied to the RCE as filed and that the USPTO please make refund by crediting Account No. 500388 (Order No. KLA1P007) in the amount of \$770.

Respectfully submitted,
